

A core pillar of the Hilton Effect Foundation is to support our communities during both good and challenging times to ensure they remain strong and resilient for generations to come. As the impact of COVID-19 has continued to broaden globally and cause society to face unprecedented challenges, the Hilton Effect Foundation is investing in grants to support organizations fighting the spread of infection and aiding communities in need.

The Foundation is providing disaster response grants to the following organizations during this time:

### **WORLD CENTRAL KITCHEN**

This organization is working in cities across the United States and around the world to provide meals to vulnerable communities hit hard by COVID-19. The Foundation's grant will help to fund the development of community kitchens and the safe distribution of food to communities, individuals and families in need.

### **CLEAN THE WORLD**

Hilton's long-standing partner is working overtime to ensure communities that are already struggling with hygiene-related issues get the soap and supplies they desperately need now more than ever. Our funds will aid them in their efforts to distribute recycled soap bars to relief organizations and promote the power of sanitation and hygiene in stopping the spread of COVID-19.

### **PROJECT HOPE**

The Foundation has been supporting Project HOPE since the earliest days of the COVID-19 pandemic. Our grant is helping this organization as it supports medical teams working within vulnerable countries and communities. The organization's activities include training community members on ways to stop the spread of infection, implementing prevention and control to protect frontline health workers, and advising on policy development.

### **DIRECT RELIEF**

The Hilton Effect Foundation's grant will support this organization as it works quickly to deliver personal protective equipment to medical staff and community members across the globe.

### **CONSORZIO FARSİ PROSSIMO**

Our Foundation has also made a grant to support those impacted across Italy through Consortio Farsi Prossimo. These funds will help the organization as it rushes to protect vulnerable communities from COVID-19 and the spread of infection.

## **HOW CAN YOU SUPPORT THESE EFFORTS?**

Hilton Honors members can join the Hilton Effect Foundation in supporting these organizations by donating their Points [here](#) using the PointWorthy platform. All donations will go directly to these organizations and the communities they support.
